

FOR EASY LVT INSTALLATION

Roll Strong™ adhesive allows for installation flexibility to meet the demands of commercial and residential LVT applications. It is applied using a 3/8-inch nap roller instead of a trowel for a less time-consuming installation.

S-319 Roll Strong™ Adhesive

- One coat, rolled on application provides a strong instant grab.
- Normal traffic and rolling loads are allowed on the floor immediately after installation is complete.
- Backed by Armstrong Flooring Guaranteed Installation System warranty.
- Dry-to-touch (ready to receive flooring) in mere minutes.
- Apply with roller from a standing position.
- Eliminate adhesive trowel ridge telegraphing/show through.
