PORTUGAL COLLECTION PANELS

Our newest panel brings all the unique natural beauty of real stone in a modern and sleek style. The Portugal Collection panels are available in a dimensional surface similar to our Realstone™ Collection products as well as in a flat face option. The Panels come in sets of three patterns which can be used to create a multitude of patterns and styles. Paired with coordinating molding and trim pieces The Portugal Collection Panels provide a complete solution for striking natural stone applications. Visit www.realstone.com for a variety of installation options.
